Initial Disclosure Document (about our credit-broking services)

1. The Financial Conduct Authority ("FCA")

The FCA is an independent watchdog that regulates financial services. Use this information to decide if our services are right for you.

2. Whose products do we offer?

Tamworth Motorcycles Limited is a credit broker, not a lender. We can introduce you to a limited number of finance providers and a limited number of financial products to assist with your purchase of our goods and services. We have a pre-arranged contractual relationship with Santander Consumer Finance (UK) Limited. We will provide you with details of our lender and/or our credit broker partners on request. Our financial products vary from time to time but may include Hire Purchase, Conditional Sale, Fixed Sum Loan (Personal Loan), Personal Contract Hire ("PCH") and Personal Contract Purchase ("PCP"). All finance is subject to status. Terms and conditions apply.

3. Which service will we provide you with?

You will not receive advice or a recommendation from us in relation to the financial products that we offer. We will provide you with information but you will have to make your own choice about how to proceed. We operate an information-only sales process (non-advised).

We act as agent for the lender when operating our credit-broking and credit intermediary services under pre-arranged contractual arrangements. We do not use a panel of lenders.

We usually present two financial products from the same lender to you. We do not offer a range of financial products or offers to choose from. When arranging finance for you, we do not act for you in any capacity and we are not your agent. We do not act as your finance broker, we do not conduct a fair analysis of the market and we do not provide financial advice. Please seek your own independent legal or financial advice prior to entering into a credit agreement if this is required.

Whilst we believe that our finance terms are competitive, we offer no guarantee that the APR offered to you is the most competitive in the open market. Please make your own enquiries in this regard.

4. What will you have to pay us for our services?

We do not charge you any fees for our credit-broking services.

We may receive a commission or other benefit from the lender for arranging finance for you. This may be a fixed amount or a percentage of the amount that you borrow. The interest rate and/or APR offered to you is not affected or influenced by the commission that we receive.

For further information on commission arrangements, please read our Finance Commission Disclosure Statement.
